Town and Village Comprehensive Plan is due for updates before the current one expires in 2025. There are grants available for assisting with updating the Plan through LCPC, applications are due soon. Sue asked if there was a place to review the plan, the plan is on the town website. It was asked how we would know if it was being followed. The Interim General Manager stated that the plan is an outline of goals and objectives for the Village and town.

The Village Planning Commission plays a large role in the creation and updating of the plan as it is a look toward the future. Volunteers are always welcome and resident participation for Village planning will be encouraged.

It was agreed to recommend to the Board of Trustees that Riki French be the Village of Hyde Park representative to the Lamoille County Regional Planning Commission.
