SECURITY LIGHT APPLICATION

This form must be completed by property owner to establish a new security light installation.

I, _____ (please print) hereby, apply for the installation of a security light to be installed on my property located at _____ and installed at this property in a mutually agreed upon location. Rental will be billed in accordance with the current tariff rate upon installation of the security light. Please see attached tariff for current rates. It is further agreed that the unit will remain connected for three (3) years from the date of installation, and thereafter on the basis of cancellation by either party on sixty (60) days notice in writing. Maintenance and lamp replacement will be completed by the Village of Hyde Park, at no cost to the customer, during regular working hours after notice received by the Village office.

The foregoing installation is subject to compliance with any Village and/or Town of Hyde Park ordinances and the Grant of Right of Way.
