Additions/Revisions to the agenda – request by GM to add ARPA discussion under other business

Motion by Adam Lory to approve the minutes of the July 12,, 2023 Regular meeting. Seconded by Sue Trainor. The motion carried.

Brian, Interim GM reported he met with the Village Improvement Association to review and discuss styles for new street signs for the Village, there was consensus in the group that style 1, with the Village logo on the top, should be on street corners meeting Main St. and style 2, Village logo on the left, should be on street intersections with the state highway;

The GM reported he met with a village resident interested in opening a general store. It was reported they are still looking for a suitable location.

Ms. Brooks attended the meeting to bring awareness to the Second Congregational Church’s request for \$32,000 of ARPA for use to assist with necessary maintenance of the building. The building is in need of a new roof, windows and other items to maintain the Church building. It was stated the church serves more to the community than a place to worship on Sunday’s. There are many community purposes that the church is used for and it is a community asset. Total estimated costs for the completion of maintenance projects is \$200,000. Community fundraising will be another source for funding. The GM presented the timeline for the decision process for use of ARPA funding.

There being no further business, motion by Adam Lory and second Sue Trainor to adjourn at 6:25 p.m. Motion carried.
